UNCLASSIFIED CLAIMS AND TREATMENT

As provided in section 1123(a)(1) of the Bankruptcy Code, Administrative Expense Claims (not including Deferred Administrative Claims), Fee Claims, and Priority Claims shall not be classified for purposes of voting or receiving distributions under the Plan. Rather, all such Claims shall be treated separately as unclassified Claims.

A. *Administrative Expense Claims*

1. Payment of Administrative Expense Claims. Subject to the provisions of sections 328, 330(a) and 331 of the Bankruptcy Code, each Holder of an Allowed Administrative Expense Claim will be paid the unpaid amount of such Claim in Cash (a) on or as soon as practicable after the Effective Date; (b) or if such Claim is Allowed after the Effective Date, on or as soon as practicable after the date such Claim is Allowed; or (c) upon such other terms as may be agreed upon by such Holder and the Debtor; provided that Deferred Administrative Claims shall receive, in full and final satisfaction of such Allowed Claim, from the Reorganized Debtor (subject to the discharge or release of any lien with respect to the Postpetition Deposit Loan) deferred distributions pursuant to the Deferral Terms and subject to other payments, if any, under Article III.D, and E. Payment of Fee Claims from the Plan Funding shall be in addition to other payments, if any, under Article III.D. Notwithstanding the foregoing, the Holder of an Allowed Administrative Expense Claim may receive such other, less favorable treatment as may be agreed upon by such Holder and the Debtor. Counsel for the Debtor may establish a reserve in an amount equal to the estimated Fee Claims on the Effective Date.

2. Filing and Allowance of Fee Claims. Each Professional who holds or asserts a Fee Claim incurred before the Effective Date shall be required to file with the Bankruptcy Court and serve on all parties required to receive notice a fee application within thirty (30) days after the Effective Date. The failure to file and serve the fee application timely and properly may result in the Fee Claim being forever barred and discharged unless otherwise ordered by the Bankruptcy Court. A Fee Claim, with respect to which a fee application has been properly filed and served, shall become an Allowed Fee Claim to the extent allowed by Final Order of the Bankruptcy Court.

3. Filing and Allowance of Other Administrative Expense Claims (including Deferred Administrative Claims). To the extent not already filed, all Creditors asserting an Administrative Expense Claim (other than Fee Claims) that arose after September 1, 2009 must file with the Bankruptcy Court and serve on the Debtor and its counsel a supplemental Administrative Expense Claim on the earlier of: (i) any supplemental Administrative Expense Claim bar date fixed by a separate order of the Bankruptcy Court entered prior to the Confirmation Hearing (the “*Supplemental Administrative Claims Bar Date*”), or (ii) such other date as may be fixed in the Confirmation Order. Such notice of Administrative Expense Claims must include, at a minimum, (i) the name of the Holder of the Claim, (ii) the amount of the Claim, and (iii) the basis of the Claim. Failure to file and serve this notice timely and properly shall result in the Administrative Expense Claim being forever barred and discharged. An Administrative Expense Claim with respect to which notice has been properly filed and served shall become an Allowed Administrative Expense Claim if no objection is filed by such deadline as may be set in the Confirmation Order or

any other order applicable thereto. If an objection is timely filed, the Administrative Expense Claim shall become an Allowed Administrative Expense Claim only to the extent allowed by Final Order of the Bankruptcy Court.

B. Priority Claims

On the later of the Effective Date or the date within five Business Days after the date a Priority Claim, if any, becomes an Allowed Priority Claim, or, in each such case, as soon as practicable thereafter, such Holder of an Allowed Priority Claim will receive on account of such Claim Cash in an amount equal to the amount of such Allowed Priority Claim, which amount shall be payable out of the Escrow Account, subject to Article VII.B. Notwithstanding the foregoing, the Holder of an Allowed Priority Claim may receive such other less favorable treatment as may be agreed upon by such Holder and the Debtor.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions and rejections.

Upon the assumption of the Aho Contract and the Diom Contract, the payment of the prepetition Claims as set forth in Article III with respect to such parties shall constitute payment on account of all Claims of Aho Construction and Diom LLC against the Debtor and Related Entities, including, but not limited to, satisfaction of all Cure amounts, if any. The Plan Parties do not expect any other parties to file Claims related to Cure costs for the assumption of any other Executory Contract or unexpired leases.

Each such Executory Contract and unexpired lease that is assumed shall include (a) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Executory Contract or unexpired lease, and (b) all Executory Contracts or unexpired leases appurtenant to the USA Springs Project, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, or other agreements, and any other interests in real estate or rights *in rem* related to such premises.

Subject to Article VI.A of the Plan, any monetary amounts by which any Executory Contract or unexpired lease to be assumed under the Plan is in default shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, at the option of the Debtor, by Cure. If there is a dispute regarding (a) the nature or amount of any Cure, (b) the ability of Reorganized Debtor or any assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or unexpired lease to be assumed, or (c) any other matter pertaining to assumption, Cure shall occur, at the Debtor’s or Reorganized Debtor’s option, following the entry of a Final Order of the Bankruptcy Court resolving the dispute and approving the assumption and/or assumption.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases

To the extent a Claim for damages based upon the rejection of any Executory Contract or unexpired lease is Allowed by the Bankruptcy Court, such Claim shall be classified as a Class 4 General Unsecured Claim. The failure to file a Claim for damages based upon a rejected Executory Contract or unexpired lease, if any, within thirty (30) days following the later of the Effective Date, or the date, if after, the Executory Contract or unexpired lease is ordered rejected, shall forever bar such a Claim. The Debtor does not expect any such Claims to be filed.

D. Contracts Entered Into After the Petition Date

Contracts entered into after the Petition Date, if any, by any Plan Party, including any Executory Contracts and unexpired leases assumed by the Debtor, will be performed by such Plan Party or Reorganized Debtor, as the case may be, in accordance with the terms and conditions of such contracts in the ordinary course of its business. Such contracts and other obligations (including any assumed Executory Contracts and unexpired leases) will survive and remain unaffected by entry of the Confirmation Order, unless provided otherwise in such contract.

Undeliverable distributions shall remain in the possession of Reorganized Debtor pursuant to this Article VII.D until such time as a distribution becomes deliverable.

2. Failure to Claim Undeliverable Distributions. Except as otherwise provided in the Plan, any Holder of an Allowed Claim or Interest that does not assert a Claim for an undeliverable distribution within 90 days after the later of (a) the Effective Date or (b) the date such claim became an Allowed Claim shall have its claim for such undeliverable distribution discharged and such Holder or successor to such Holder with respect to such property shall be forever barred from asserting any such Claim against Reorganized Debtor, the Plan Parties or their properties. Any Cash held for distribution on account of such Claims shall be property of Reorganized Debtor, free of any restrictions thereon and any New Common Stock held for distribution on account of any such Claims or Interests shall be canceled and of no further force or effect.

3. No Duty to Locate. Nothing contained in the Plan shall require the Debtor or Reorganized Debtor to attempt to locate any holder of an Allowed Claim or Interest. Notwithstanding the foregoing, the Reorganized Debtor may conduct a normal general search, including use of the Internet for the address of a Claim Holder.

E. Compliance with Tax Requirements

In connection with this Plan and all distributions hereunder, to the extent applicable, Reorganized Debtor will comply with all tax withholding and reporting requirements imposed by any federal, state, provincial, local, or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. Reorganized Debtor shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements. Notwithstanding any other provision of the Plan, each Holder of an Interest that is to receive a distribution of New Common Stock pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of tax obligations, if any, imposed by any governmental unit, including income, withholding and other tax obligations, on account of such distribution.

F. Setoffs

Reorganized Debtor may, but shall not be required to, set off against any Claim, and the payments or other distributions to be made pursuant to the Plan in respect of such Claim, claims of any nature whatsoever that the Plan Parties may have against the Holder of such Claim; *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute

a waiver or release by the Plan Parties of any such claim that the Plan Parties may have against the Holder of such Claim.

ARTICLE VIII.

PROCEDURES FOR RESOLVING DISPUTED CLAIMS

A. Claims Objection and Resolution

After the Confirmation Date, the Reorganized Debtor shall have the exclusive authority to file objections, settle, compromise, withdraw or litigate to judgment objections to Claims or Interests. From and after the Effective Date, Reorganized Debtor may settle or compromise any Disputed Claim without approval of the Bankruptcy Court. Reorganized Debtor may object to a Claim or Interest by the Claims Objection Bar Date. Nothing herein shall be deemed to be a waiver of any rights of a party of interest with standing to object to Fee Claims.

B. Claims Allowance

The Debtor or Reorganized Debtor may, at any time, request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the Debtor or Reorganized Debtor has previously objected to such Claim, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including to the extent possible during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount will constitute either the allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Debtor or Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim. All of the aforementioned Claims objection, estimation and resolution procedures are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court as provided for in the Plan.

C. Payments and Distributions on Disputed Claims

Notwithstanding any other provision of the Plan, no payments or distributions shall be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by Final Order, and the Disputed Claim has become an Allowed Claim; provided that, the Debtor may establish a reserve in an amount equal to the Plan payment due in regard to such Disputed Claims.

D. Voting Rights of Holders of Disputed Claims

Pursuant to Bankruptcy Rule 3018(a), to the extent it becomes applicable, a Disputed Claim will not be counted for purposes of voting on this Plan to the extent it is a Disputed Claim, unless an order of the Bankruptcy Court is entered after notice and a hearing temporarily allowing the Disputed Claim for voting purposes under Bankruptcy Rule 3018(a). Such disallowance for voting

purposes shall be without prejudice to the Holder of such Disputed Claim seeking to have such Disputed Claim become an Allowed Claim for purposes of distribution under this Plan.

ARTICLE IX.

SUBSTANTIVE CONSOLIDATION

A. Consolidation of the Related Entities With the Debtor's Estate

Pursuant to the Stipulation and the Jurisdiction Agreements, the Plan contemplates and is predicated upon entry of the Confirmation Order effecting the substantive consolidation of the Plan Parties and their assets for the purposes of all actions associated with confirmation and consummation of the Plan. On the Confirmation Date, subject to the occurrence of the Effective Date: (a) all inter-company Claims by and among the Plan Parties shall be eliminated and extinguished; (b) all assets and liabilities of the Plan Parties shall be treated as though they were merged; (c) all prepetition cross-corporate guarantees of the Plan Parties, if any, shall be eliminated; (d) any obligation of any Plan Party and all guarantees thereof executed by one or more of the Plan Parties shall be deemed to be one obligation of the consolidated Plan Parties; (e) any Claims filed or to be filed in connection with any such obligation and such guarantees shall be deemed one Claim against the consolidated Plan Parties; (f) each and every Claim filed in the Chapter 11 Case shall be deemed filed against the consolidated Plan Parties and shall be deemed a single obligation of all of the Plan Parties under the Plan on and after the Confirmation Date; (g) all duplicative claims (identical in both amount and subject matter) filed against more than one of the Plan Parties will be automatically expunged so that only one Claim survives against the consolidated Plan Parties but in no way shall be deemed Allowed solely by reason of this section of the Plan; and (h) the consolidated Plan Parties will be deemed, for purposes of determining the availability of the right of set-off under section 553 of the Bankruptcy Code, to be one entity, so that, subject to other provisions of section 553 of the Bankruptcy Code, the debts due to a particular Plan Party may be offset against claims against such Plan Party or another Plan Party. On the Confirmation Date, and subject to the occurrence of the Effective Date, and in accordance with the terms of the Plan and the consolidation of the assets and liabilities of the Plan Parties, all Claims based upon guarantees of collection, payment or performance made by the Plan Parties as to the obligations of another Plan Party or of any other Person shall be discharged, released and of no further force and effect. The foregoing shall be effective without necessity of any merger or like transaction under applicable non-bankruptcy laws.

B. Substantive Consolidation Order

The Plan will serve as a motion seeking entry of an order substantively consolidating the Plan Parties and their assets, as set forth herein. Unless an objection to substantive consolidation is made in writing by any Creditor affected by the Plan as herein provided on or before the Plan Objection Deadline, an order substantively consolidating the Plan Parties and their assets, including as part of the Confirmation Order may be entered by the Bankruptcy Court. In the event any such objections are timely filed, a hearing with respect thereto will be scheduled by the Bankruptcy Court, which hearing may coincide with the Confirmation Hearing.

C. Reservation of Rights

The Debtor reserves the right at any time up to the conclusion of the Confirmation Hearing to withdraw its request for substantive consolidation, to seek Confirmation of the Plan as if there were no substantive consolidation, and to seek Confirmation of the Plan with respect to one or more Plan Parties even if Confirmation with respect to other Plan Parties is denied.

ARTICLE X.

CONDITIONS PRECEDENT TO EFFECTIVE DATE AND CONSUMMATION OF THE PLAN

A. Conditions Precedent to Effective Date

The following are conditions precedent to the occurrence of the Effective Date, each of which must be satisfied or waived in accordance with Article X.B of this Plan:

1. An order shall have been entered finding that the Disclosure Statement contains adequate information pursuant to section 1125 of the Bankruptcy Code.
2. The Confirmation Order in form and substance reasonably acceptable to the Debtor shall have been entered approving all provisions, terms and conditions of the Plan and shall not be subject to any injunction or stay applicable thereto.
3. The Substantive Consolidation Order in form and substance reasonably acceptable to the Debtor shall have been entered.
4. All actions, documents and agreements necessary to implement the Plan, including without limitation, such documents relating to the Malom Transaction, shall have been effected or executed and, as necessary, filed with the appropriate governmental authorities. All conditions precedent to such documents and agreements shall have been satisfied or been waived by Malom.
5. All conditions precedent to the obligations of Malom pursuant to Transaction Documents shall have been satisfied or waived by Malom.
6. The Closing shall have occurred, which shall be no later than October 31, 2011.

B. Waiver of Conditions

ARTICLE XI. RETENTION OF JURISDICTION

Under sections 105(a) and 1142 of the Bankruptcy Code and in compliance with LBR 3020-1, the Bankruptcy Court shall retain post-Effective Date jurisdiction over all matters involving the Plan Parties and arising out of, and related to, the Chapter 11 Case and the Plan to the fullest extent permitted by law, including, among other things, jurisdiction to:

- (a) Hear and determine objections to Claims, including with respect to allowance or priority of such Claims;
- (b) Consider and rule upon requests for compensation, including under sections 330, 331, and 503(b) of the Bankruptcy Code; provided, however, from and after the Effective Date, the payment of the fees and expenses of Professionals retained by Reorganized Debtor shall be made in the ordinary course of business and shall not be subject to the approval of the Bankruptcy Court;
- (c) Hear and determine any dispute arising under the Plan or the Confirmation Order; implementation of the Plan and Confirmation Order and execution, implementation or enforcement of any necessary documents thereunder; and any requests to amend, modify or correct the Plan or Confirmation Order; provided that such matters are brought before the Bankruptcy Court prior to the point of substantial consummation;
- (d) Grant extensions of any deadlines set forth in the Confirmation Order, as may be appropriate; and
- (e) Enforce all discharge and related provisions under the Plan.

To the extent necessary, the Debtor shall show specific grounds at the Confirmation Hearing for additional retained jurisdiction not specifically provided for under LBR 3020-1, including as provided below:

- (a) Consider any modifications of the Plan and the Confirmation Order;
- (b) Hear and determine matters concerning transfer of property of the Debtor to the Reorganized Debtor free and clear of all liens and encumbrances;
- (c) Hear and determine matters concerning state, local, and federal taxes pursuant to section 1146 of the Bankruptcy Code, and determination of tax liability under section 505 of the Bankruptcy Code for the fiscal years in which the Debtor was in bankruptcy;
- (d) Hear and determine any adversary proceedings, motions, application or other pleadings related to matters that are core proceedings, including assumption or rejection of Executory Contracts, amount of rejection damages, assumption or cure amounts;
- (e) Enter a final decree closing the Chapter 11 Case;
- (f) Hear and determine pending adversary proceeding(s) and any other proceedings filed by the Debtor before entry of the final decree; and
- (g) Issue injunctions, enter and implement other orders, or take such other actions as may be necessary or appropriate to restrain interference by any Person with implementation, consummation, or enforcement of the Plan, the Confirmation Order, and the Malom Transaction.

In addition to the foregoing retention of jurisdiction, the Debtor may seek to conditionally reserve in the Confirmation Order jurisdiction with regard to the certain other matters, as may be applicable or necessary, by filing a motion on notice requesting such additional retention of jurisdiction pursuant to LBR 3020-1(b).

ARTICLE XII.

EFFECT OF CONFIRMATION

A. Binding Effect

On the Effective Date, the provisions of this Plan shall be binding upon and inure to the benefit of the Plan Parties, Reorganized Debtor, all current and former Holders of Claims against and Interests in the Plan Parties and their respective successors and assigns, and all other parties-in-interest in the Chapter 11 Case and Persons affected by this Plan.

B. Discharge of Plan Parties

All consideration distributed under this Plan shall be in exchange for, and in complete satisfaction, settlement, discharge, and release of, all Claims against or Interests in the Plan Parties of any nature whatsoever, or against any of the Plan Parties' assets or properties. Subject to the occurrence of the Effective Date, except as otherwise expressly provided in this Plan or the Confirmation Order, entry of the Confirmation Order shall act as a discharge under section 1141(d)(1)(A) of the Bankruptcy Code from and of all Claims against, liens on, and Interests in each of the Plan Parties, their assets, and their properties, arising at any time before the entry of the Confirmation Order, regardless of whether a proof of Claim or proof of Interest therefor was filed, whether the Claim or Interest is Allowed, or whether the holder thereof votes to accept this Plan or is entitled to receive a distribution hereunder. Upon entry of the Confirmation Order, and subject to the occurrence of the Effective Date, any holder of such a discharged Claim or Interest shall be precluded from asserting against the Plan Parties and Reorganized Debtor or any of their assets or properties any other or further Claim or Interest based on any document, instrument, act, omission, transaction, or other activity of any kind or nature that occurred before the date of entry of the Confirmation Order. The Confirmation Order shall be a judicial determination of discharge of all liabilities of the Plan Parties, subject to the Plan and the occurrence of the Effective Date.

C. Injunction

Pursuant to section 524 of the Bankruptcy Code, the discharge provided by Article XII.B of the Plan and section 1141 of the Bankruptcy Code shall, upon the Effective Date, act as an injunction against the commencement or continuation of any action, employment of process, or act to collect, offset, or recover the Claims and Interests discharged thereby. Except as otherwise expressly provided in this Plan or the Confirmation Order, all Persons which have held, hold, or may hold Claims against or Interests in the Plan Parties will be permanently enjoined, on and after the Confirmation Date, subject to the occurrence of the Effective Date, from (a) commencing or containing in any manner any action or other proceeding of any kind with respect to any such Claim or Interest, (b) the enforcement, attachment, collection, or recovery by any manner or means of any judgment, award, decree, or order against the Plan Parties on account of any such Claim or Interest,

(c) creating, perfecting, or enforcing any encumbrance of any kind against the Plan Parties or against the property or interests in property of the Plan Parties on account of any such Claim or Interest, and (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from the Plan Parties or against the property or interests in property of the Plan Parties on account of any such Claim or Interest. The foregoing injunction will extend to successors of the Plan Parties (including, but not limited to, Reorganized Debtor) and their respective properties and interests in property.

D. Releases

Effective on the occurrence of the Effective Date, to the fullest extent permitted by applicable law, the Plan Parties and Reorganized Debtor shall be presumed conclusively to have released the Releasees and their respective property, from any and all claims, obligations, rights, Causes of Action, demands, suits, proceedings, and liabilities, whether for tort, fraud, contract, violations of federal or state securities laws, or otherwise, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, contingent or non-contingent, based in whole or in part on any act or omission transaction, state of facts, circumstances or other occurrences taking place prior to or on the Effective Date arising from or related in any way to the Plan Parties, the Estate, or the Reorganized Debtor, including, without limitation, those that any of the Plan Parties or the Reorganized Debtor would have been legally entitled to assert or that any Holder of a Claim or Interest or other Person would have been legally entitled to assert for or on behalf of any of the Plan Parties or the Estate or the Reorganized Debtor and further including those in any way related to the Chapter 11 Case or the Plan; *provided, however*, the foregoing provisions of this Article XII.D shall have no effect on the liability of any Person that results from any such act or omission that is determined in a Final Order to have constituted gross negligence or willful misconduct; and *provided, further*, (i) the foregoing release shall not operate to waive or release from any Causes of Action expressly set forth in and preserved by the Plan, and (ii) the Plan Parties and Reorganized Debtor shall have the right to pursue such rights of action, including the rights under section 502(d) of the Bankruptcy Code, as a defensive measure, including for purposes of setoff against distributions, if any, due to a holder of a Claim or Interest pursuant to this Plan, and such rights shall be exercised exclusively by Reorganized Debtor.

E. Exculpation

Upon the Effective Date, the Exculpated Parties shall neither have nor incur any liability to any Person for any act taken or omitted to be taken in connection with or related to the Chapter 11 Case, the formulating, negotiating, preparing, disseminating, implementing, administering the Plan, the Disclosure Statement, the Transaction Documents, or any contract, instrument, release or other agreement or document created or entered into in connection with the Plan, or any other act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Plan Parties or confirming or consummating the Plan; *provided, however*, that the foregoing provisions of this Article XII.E shall have no effect on the liability of any Person that results from any such act or omission that is determined in a Final Order to have constituted gross negligence or willful misconduct.

ARTICLE XIII.

MISCELLANEOUS PROVISIONS

A. *Payment of Statutory Fees*

All fees payable under section 1930 of title 28 of the United States Code, as determined by the Bankruptcy Court at the Confirmation Hearing or otherwise, shall be paid on or before the Effective Date. All such fees that arise after the Effective Date but before the closing of the Chapter 11 Case shall be paid by Reorganized Debtor.

B. *Severability of Plan Provisions*

If, prior to entry of the Confirmation Order, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtor, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as so altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of this Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

C. *Successors and Assigns*

The rights, benefits and obligations of any Person named or referred to herein shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such Person.

D. *Waiver of Enforcement of Subordination*

All Claims against and Interests in the Plan Parties and all rights and claims between or among Holders of Claims and Interests relating in any manner whatsoever to Claims against and Interest in the Plan Parties, based on claimed subordination rights (if any), shall be deemed satisfied by the distributions under the Plan to Holders of Claims and Interests having such subordination rights, and such subordination rights shall be deemed waived, released, discharged, and terminated as of the Effective Date, and all actions related to the enforcement of such subordination rights shall be permanently enjoined. Distributions to the various Classes of Claims and Interests hereunder shall not be subject to levy, garnishment, attachment, or like legal process by any holder of a Claim by reason of any claimed subordination rights or otherwise, so that each holder of a Claim or Interest shall have and receive the benefit of the distributions in the manner set forth in the Plan.

E. *Modification and Amendment of Plan Documents*

The Debtor may further alter, amend, or modify the Plan, related documents, if applicable, and Transaction Documents, including exhibits or schedules thereto under section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Date.

After the entry of the Confirmation Order but before the Effective Date, the Debtor may, without approval of the Bankruptcy Court and without notice to all Holders of Claims and Interests, insofar as it does not materially adversely affect the interest of Holders of Claims and Interests, correct any defect, omission or inconsistencies in this Plan, related Plan documents in such manner and to such extent as may be necessary to expedite the execution of this Plan.

After the entry of the Confirmation Order and the Effective Date, the Debtor or the Reorganized Debtor, as the case may be, may, upon order of the Bankruptcy Court, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code, or remedy any defect or omission or reconcile any inconsistencies in the Plan and related Plan documents, or the Confirmation Order in such manner as may be necessary to carry out the purposes and provisions of the Plan.

F. Dissolution of Committee

On the Effective Date, the Committee shall dissolve and its respective members shall be released and discharged from all further authority, duties, responsibilities and obligations relating to the Chapter 11 Case; provided, however, that the Committee and its Professionals, as applicable, shall not be dissolved with respect to (i) applications filed pursuant to sections 330 and 331 of the Bankruptcy Code, and (ii) subject to Article III.E, the Committee Lawsuit.

G. Revocation, Withdrawal, or Non-Consummation

The Debtor reserves the right to revoke or withdraw the Plan at any time prior to the Confirmation Date and to file subsequent Chapter 11 plan(s). If the Debtor revokes or withdraws the Plan, or if Confirmation or the Effective Date does not occur, then: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan, assumption or rejection of Executory Contracts or unexpired leases effected by the Plan, and any document or agreement executed pursuant hereto shall be deemed null and void; and (c) nothing contained in the Plan and no acts taken in preparation for Consummation of the Plan shall: (i) constitute or be deemed to constitute a waiver or release of any Claim by or against, or any Interests in any Plan Party or any other Person; (ii) prejudice in any manner the rights of any Plan Party or any other Person in any further proceedings involving a Plan Party; or (iii) constitute an admission of any sort by any Plan Party or any other Person.

Pursuant to the Investor Agreement Order, in the event the Malom Transaction is not consummated and the Effective Date fails to occur on or before the date agreed to by the Committee and the Debtor (at the June 29, 2011 hearing), the Committee may file a motion or motions seeking approval of a process for the disposition of all or substantially all of the assets of the Debtor and Related Entities. Unless specifically set forth herein, if the Effective Date fails to occur, nothing contained in the Plan and in the Confirmation Order shall be deemed to waive, limit or modify the rights and remedies of any parties under the Stipulation.

H. Notices

Any notice, request, or demand required or permitted to be made or provided to or upon a Plan Party or Reorganized Debtor under the Plan shall be (a) in writing, (b) served by (i) certified mail, return receipt requested, (ii) hand delivery, (iii) overnight delivery service, (iv) first class mail, or (v) facsimile transmission, and (c) deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:
